

CODE: 2500

SOHO 250mm

FEATURES:

The 2500 analogue wall clock has a convex lens that encases the edge of the dial allowing for easy viewing from all angles. This combined with easy-to-read numerals and clean uncluttered hands makes for a streamlined clock that works well in most situations.

The clock has a 250mm face that can be read up to 10 meters away and incorporates a quality quartz movement.

You can print off a life-size photo of this and our other analogue clocks from www.jadcotime.com.au.
