

CODE: CS1067

THE SCHOOL CLOCK  
225mm diameter

**FEATURES:**

With its extra large numerals and 225mm diameter dial, the CS1067 is easily read from the back of the classroom - this combined with its low price make it the natural choice for schools everywhere.

You can print off a life-size photo of this and our other analogue clocks from [www.jadcotime.com.au](http://www.jadcotime.com.au).
