12 MONTHS PARTS AND LABOUR WARRANTY

This classic calendar wall clock combines a 300mm analogue clock dial with a digital perpetual calendar including day, date and month. The calendar incorporates automatic leap year adjustment.

Manufactured from injection molded ABS impact resistant thermo-plastic with wrap-around clear acrylic lens that allows viewing from all angles. The clock and calendar combination operate with a reliable quality quartz German movement. Available in 3 colours.

This clock is commonly used in banks and hospitals and also ideal for homes and offices. Useful in assisted living situations and for people living with Alzheimer's or Dementia.
