This compact flip-card alarm clock is ideal for desktop or bedside. The 25mm numeral height flip cards display 12 hours with an AM/PM indicator. Easily viewed up to 10 metres.

Dual dial on side of clock - outer wheel sets the alarm (in ten-minute increments) and the inner wheel sets the time. There are two buttons mounted on top - one to turn off the alarm and the other to turn on a backlight.

Manufactured from injection molded ABS impact resistant thermo-plastic with unique curved clear acrylic lens that allows viewing from all angles Clock operates with a reliable quality quartz German movement.
