Large all digital time and date perpetual calendar wall clock with AM/PM indicator and the day spelt in full. Easily viewed up to 25 metres. The calendar incorporates automatic leap year adjustment.

Manufactured from injection molded ABS impact resistant thermo-plastic with wrap-around clear acrylic lens that allows viewing from all angles. The clock and calendar combination operate with a reliable quality quartz German movement.

This clock is commonly used in banks and hospitals and also ideal for homes and offices. Useful in assisted living situations and for people living with Alzheimer's or Dementia.
