12 MONTHS PARTS AND LABOUR WARRANTY

Large mains powered digital time and date calendar clock with the capacity to run for 10 days without power. The 12 hour format has an AM/PM indicator or a 24 hour option is available. Easily viewed up to 25 metres.

Supplied with 1.5 metre power cord and inbuilt nicad battery backup.

Manufactured from injection molded ABS impact resistant thermo-plastic with wrap-around clear acrylic lens that allows viewing from all angles. The clock and calendar combination operate with a reliable quality quartz German movement.
