

CODE: C069

SPORTS WALL CLOCK

FEATURES:

The C069 Sports Wall clock has a square white dial with silver metal frame. The 12 hr markings and minute track are printed in black and 5 second markings in red.

Fitted with an accurate quartz movement which runs on a single C size battery - the clock is easily viewed from 40 metres distance. The large flourescent sweep second hand stands out clearly for tracking time.

With no cover on the clock face this stylish clock is easily viewed from many angles.

IDEAL FOR:

Pools • Gyms • Large open areas

SIZE 455 mm SQ
WEIGHT 900g
BATTERY 1 X C (included)

Rear view of clock
