12 MONTHS PARTS AND LABOUR WARRANTY

This popular compact calendar clock combines an analogue clock dial with a large digital perpetual calendar including day, date and month. Includes automatic leap year adjustment.

Manufactured from injection molded ABS impact resistant thermo-plastic with wrap-around clear acrylic lens that allows viewing from all angles. The clock and calendar combination operate with a reliable quality quartz German movement. Available in 4 colours.

The clock case can sit on a flat surface or be wall hung allowing for accurate time and date at a glance. Useful in assisted living situations and for people living with Alzheimer's or Dementia.
